in this show we finally welcome **lil'ziska** & **r-kive** (dubtings; nuremberg, ger)! they form a congenial team by curating the gorgeous dubtings series at k4 in nuremberg, where the dxm soundsystem recently spent one of their most frolic nights ever. lil'ziska is an expert for rocksteady, ska and early reggae-dub; each time responsible for opening up the dubtings-crowd. r-kive's turn comes later. he's a most authentic and reliable campaigner in the matter of heavier basslines, currently enjoying a second career as dj and radio host. deep-rooted in drum'n'bass and basically techno informed, there's no surprise that he's playing around with contemporary productions in the field of dubstep and bass music with perfect ease. we're nothing than happy to present the true dubtings-spirit in 040-0513! - during this show, streetartist **oibel1** (zürich) will perform live on the walls of tree park studio!
