

comfortnoise podcast 041-0613

- tropical & soulful house over 2h/44m/56s
- by **rumory** (beatpirates, tropical continent; zh) & **new.com** (comfortnoise, dubexmachina; zh)
- with special visual performance by upholsterer **greg** (tree park)
- streamed on june 7th 2013 over www.livebeats.com
- download from www.comfortnoise.com (mp3/224kbs/250mb)

rumory (beatpirates, tropical continent; zh) is an unusually wide experienced swiss dj that presents us his blend of caribbean clubsounds and soulful house. he's part of the famous beatpirates (see 025-1111) as well as lethargy crew and runs a monthly broadcast on radio stadtfiler. with tropical continent he and his friends cultivate equatorial rhythm patterns that we already got in touch with in 032-0912... - the show is escorted by chief upholsterer greg who repairs parts of tree park studio walls with photographs we fabricated during 038-0313.
