

comfortnoise podcast 052-0714

- deeper house music over 2h/49m/03s in a collaboration with **zweikommasieben magazine** (luzern)
- by **guy joshua** (zweikommasieben; luzern), **simian keiser & marc d'arrigo** (schall & rauch; berlin/zürich)
- hosted by **new.com** (comfortnoise, dubexmachina, bold; zh)
- streamed on july 12th, 2014 over www.livebeats.com
- download from www.comfortnoise.com (mp3/224kbs/250mb)

this show is a special event, because we're streaming inside a collaboration with our good friends from the zweikommasieben magazin - live from a cozy living room in the middle zürich! the printed & now bi-lingual (e/ger) swiss zweikommasieben magazin is devoted to the documentation of contemporary club culture since summer 2011. it features artist interviews, essays & columns as well as photography, illustration & graphics. additionally, the collective of friends behind this project organizes infamous concerts, club nights, mantinees and other fun events. the sounds of this show are delivered by the dj-duo **simian keiser & marc d'arrigo** from schall & rauch (berlin/zürich) and **guy joshua** (zweikommasieben; luzern). these tree artists are closely connected to the zweikommasieben magazin: not only as djs but also as authors, photographers & interviewees.
