

# comfortnoise podcast 055-0815

- neo grime, quirky dub & skillful noise over 2h/08m/40s
- by **remo bitzi** (zweikommasieben; luzern) & **new.com** (comfortnoise, dubexmachina, bold; zh)
- streamed on august 23rd, 2015 @ international radio festival, irf 2015 (zürich)
- download from [www.comfortnoise.com](http://www.comfortnoise.com) (mp3/320kbs/290mb)

remo bitzi is one of the masterminds behind swiss magazine zweikommasieben. since the summer of 2011 the publication has been devoted to the documentation of contemporary club culture. the magazine features artist interviews, essays and columns as well as photography, illustration and graphics. in addition, zweikommasieben organizes concerts, parties, club nights, matinees, raves and other fun events in various cities. – the second host of the special radio show at this year's irf, new.com, is the author of the column "basslines" in zweikommasieben magazin. he runs the blog comfortnoise & dubexmachina - featuring podcasts, mixes and club events. he used to produce a radio show for long-gone but legendary zurich record store p45. we're expecting two hours of most interesting content and music way off mainstream.
